

JUDICIALLY DETERMINED NAVIGABLE WATERWAYS OF MT, MEANDERED WATERWAYS OR SEGMENTS WITH HISTORIC EVIDENCE SUPPORTING NAVIGABILITY, & ADDITIONAL WATERWAYS OR SEGMENTS WITH HISTORIC EVIDENCE SUPPORTING NAVIGABILITY

Red lines and/or polygons indicate waterways and/or segments of waterways in Montana that have been judicially determined as navigable. Light blue lines indicate waterways and/or segments with historic evidence supporting navigability that are meandered on General Land Office (GLO) survey plats. Yellow lines show areas with historic evidence supporting navigability. The State of Montana owns navigable waterways pursuant to the Equal Footing Doctrine, state statutes, and judicial determination/case law.
